COMPANY OVERVIEW

About ASTROPOL

Established in **2021** in **Abu Dhabi**, ASTROPOL is a general contracting company providing building construction and civil infrastructure services.

Our services cover **civil and structural infrastructure for LV/MV/HV systems** (low, medium and high voltage), including substations and cable routes; **water, sewerage and stormwater drainage; roads, highways and airport infrastructure; excavation, backfilling and compaction;** and buildings, villas and camp utilities.

We coordinate **design, planning, procurement and construction** around a defined project scope, supported by **schedule and cost control, quality inspections and safe execution.** Our management team brings previous airport and infrastructure project experience to project delivery.
